

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 2605 - SB 2451

February 24, 2022

SUMMARY OF BILL: Establishes that law enforcement personnel or the employees of law enforcement personnel shall not be rendered liable for the injuries of a third party when those injuries were proximately caused by another party that was fleeing from pursuit of law enforcement unless the conduct of the law enforcement personnel was grossly negligent, rather than negligent, and that gross negligence, rather than negligence, was a proximate cause of the injuries.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Raising the legal standard for the consideration of culpability of law enforcement personnel in the injuries of third parties proximately resulting from another third party fleeing from law enforcement personnel will not significantly impact liabilities of law enforcement agencies. Any fiscal impact to state or local government is estimated to be not significant.
